Explanatory notes for the EA Directory:

1 Employment Agency (EA) licences are granted for one year. EAs may apply to renew their licence prior to the expiry date.

2 Only EAs placing foreign domestic workers (FDW) are required to be accredited if they have been in operation for more than one year. Please note that there is no need for accreditation for:

- a) all non-FDW-placing EAs
- b) all FDW-placing EAs in their first year of operations

3 Demerit points are issued to EAs when the EA infringes the Employment Agencies Act, Rules or Licensing Conditions. The demerit points are valid for a period of six months from the date they were administered. EAs which accumulate 12 or more demerit points at any point in time would be placed on MOM's surveillance list. These EAs will be warned that further infringements will lead to licence revocation. Nonetheless, should an EA be deemed to have committed a severe infringement, the EA's licence will be revoked. A list of these EAs on surveillance can be found on MOM's website.

4 The next update to this directory will be made in Jul 2009
